

Volunteer Appreciation Staff Survey - 2023

In April, we will recognize the Library's volunteers. We'd like to share staff appreciation comments during this time. Additionally, if you are able to share praise for a particular volunteer, we would be happy to pass that along.

Volunteers like to know they're helping you and the Library. Hearing it from our staff is the best recognition of all! Let them know they are making a difference!

1. Overall, how have you seen volunteers make a positive impact on the Library and/or the community we serve?

2. Do you have any specific "kudos" you'd like us to share? It could be about one particular volunteer, a group of volunteers, or a volunteer role that's made a big impact (i.e. Holds Hunters, Sorter Room Assistants, Adopt-A-Shelf, Media Maintenance, Programming Craft/Kit Prep, etc.).

3. Is there anything else you would like to share with the Volunteer Services team at this time?
