

Teen Team Program Assistant

Description

Do you want to make a difference in your library and in your community? Help the library best serve teens in our community by joining the Teen Team! This dynamic team of teens works directly with library staff to enhance teen library services. Make your voice heard by influencing library decision-making and shaping library services to reflect current teen needs and interests. As a Teen Team Volunteer, you can get involved in your community by serving as a library advocate and gain valuable skills while earning volunteer service hours while in high school.
